ALAMANCE COUNTY VOLUNTEERS SOUGHT TO CLEAN UP LITTLE ALAMANCE CREEK

Burlington, NC – The City of Burlington and the City of Graham invite local service groups, youth groups, and residents to participate in a Stream Side Cleanup of Little Alamance Creek on **May 17, 2014**. This Cleanup is sponsored by the Kiwanis Club of Burlington and its numerous Key Clubs who already serve Alamance County.

The Little Alamance Creek Clean Up offers volunteers a chance to make a difference for the environment by promoting the protection of water quality, riparian ecosystems, and recreational uses within Alamance County. Come out and join us as we remove debris and other items from the stream that have an impact on water quality.

Participants will meet for the cleanup at **8:00 am** on May 17, 2014 in the Blessed Sacrament Catholic Community parking lot at 1620 Hanford Road, Graham NC 27253. For more information or to register as a volunteer you can contact the City of Burlington at stormwater@ci.burlington.nc.us or call (336) 222-5140.

For more information on the programs these organizations offer see the following websites:
