### **Town & Country Nature Park Temporarily Closed**

BURLINGTON, NC— Burlington's Town & Country Nature Park, accessed from both Regent Park Lane and Riverside Drive in Burlington, is temporarily closed due to construction associated with the replacement of the Haw River Interceptor Sanitary Sewer line.

The presence of heavy machinery and the land disturbance resulting from ditch digging renders the park unsafe for public use. Construction is scheduled to be complete by the end of May 2015. Town & Country Park will remain closed until this time.
