As autumn arrives and the leaves begin to fall, the map above will help you know when to prepare your leaves for pick-up.

## HERE IS WHAT YOU NEED TO KNOW:

1. Prepare your leaves for collection by 7am on the Monday of your scheduled week.
2. Loose leaves should be piled behind the curb, or on the shoulder of streets without curb & gutter, by 7am on the Monday of the scheduled week of collection.
3. Do not pile leaves in the street, in drainage ditches, or over water meters.
4. Do not park in front of or on leaf piles.
5. Leaves cannot contain gravel, limbs, glass or other solid debris.
6. Should you require more frequent leaf collection, you may place leaves in your yard waste container (no more than a 32 gallon container weighing less than 50lbs), or in clear plastic bags (weighing less than 50lbs) for collection on your regular trash day.
7. Leaves can be collected on a "convenience schedule" during the month of February by calling (336) 222-5005 to schedule a collection.
8. **After February**, all loose leaves must be placed in yard waste containers or clear plastic bags for collection on your regular trash day.
