Blue/Gold | 3 | 3 | 5 | 3 | 2 | 3 | 4 | 5 | 3 | 31

---

### The Springwood Players’ Course is designated as a White/Blue/Gold layout.

White shares the tees with Blue on most holes, often with different par rating. White shares the tee with Gold on Hole 7, with different par rating. White has its own tees on Holes 3, 8 and 13.

Because this course shares the park with other activities, with some holes in close proximity to those other activities’ areas, players should use the tees appropriate to their skill level, being mindful of participants on the athletic fields, pedestrian and vehicular traffic on the walking/running track, roadways and parking areas and users of the picnic shelter’s open lawn.

To reiterate the most important generally accepted rules of disc golf, as posted on the sign at Hole 1:

- Yield to other park patrons, pedestrian and vehicular.
- Landing in or beyond paved walkways, roadways and parking areas is OB.
- DO NOT LITTER! Trash and recycling receptacles are located around the park. Any trash that might give anyone opportunity to speak ill of our sport and its players should be packed out!

**And the first and foremost generally accepted rule:** HAVE SOME FUN! ENJOY!

### RULES SPECIFICALLY FOR THIS COURSE AND PARK:

**‘Mow lines’** where different grades of grasses meet, on the left sides of Holes 3, 13 and 14, alongside the athletic fields and Hole 8, alongside the shelter’s open lawn are Out of Bounds.

**Fences:** Athletic field fences on the left sides of Holes 3, 4, 11, 12 and 13 are IOB (Irretrievably Out of Bounds) when there is a ball game, soccer or lacrosse match in progress. Discs may only be recovered if returned by a participant on the field. Private property fences on the right sides of Holes 12, 13, 14, 15, 16, and 17 are IOB at all times. Discs may only be recovered if returned by a resident of the property. Damaging or traversing these fences would be a criminal act and may warrant prosecution and/or eviction/banishment from the park.

**Be a good neighbor to the park’s neighbors.**

**Mando’s:** All athletic field scoreboards and light poles on Holes 3, 4, 11, 12 and 13 are mandatory to the right. There are also signed mandatory trees on Holes 4, 8 and 18.
