

WE WANT YOU

TO FOSTER FOR US!

Fostering saves lives! Fosters are needed year-round to care for adoptable cats, dogs, and kittens, as well as special needs pets such as seniors, pets recovering from illness or a surgical procedure, fearful or less socialized pets, and nursing moms. You provide the TLC and we'll provide food, supplies and any necessary medical care.

For more information and to complete a foster volunteer application, visit www.burlingtonnc.gov/foster
